50 Years of Public Service

Timothy Courtney, ITHS class of 1962, joined the United States Army in 1966 serving for two years during the Viet Nam war. Upon returning from the service, he joined the Nassau County Sheriff's Department where he served for 31 years, retiring as the Sheriff's Assistant. Long before his service to his country and Nassau County, he began his dedicated career as a volunteer firefighter with the Levittown Fire Department. Over the years, he rose through the ranks from firefighter to Captain of Rescue Co. 4, to deputy chief and then chief of the department. In 2007 he was elected President of the Nassau County Association of Fire Districts. Together with his fellow firefighters and rescue personnel, Tim has helped keep the communities of Levittown and Island Trees safe. He has been awarded numerous awards and citations for his dedication and bravery. He has served as Levittown Fire Department Commissioner since 1988.

Congratulations to Tim Courtney as he begins his fifty first year as a community volunteer. Island Trees High School salutes his dedication in the field of volunteerism. He is an inspiration to the students of Island Trees both past and present.
