April 28, 2008

Dear Parents/Guardians:

I am writing to inform you that our schools will be closed on Friday, May 23, 2008.

This calendar change is due to a new provision in the contract with our teachers requiring that school be closed the Friday prior to the Memorial Day weekend, only if the school district does not close schools previously due to inclement weather. As of this date, it is not likely that we would have a "snow day."

This information was not available in time for our current school calendar. However, it will be included in next year's calendar. Be assured that the number of school days will continue to meet state requirements.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "James Parla".
