

Mrs. Wainwright's Homework

The district has changed the format for Homework Online. Please follow these easy directions to find the new Homework Online page:

Step 1: Once on the internet, go to new.schoolnotes.com/jwainwright (You may want to add this to your favorites to make accessing it easier.)

Step 2: Click on the "view" to the right of the correct date.

Step 3: Scroll down to see all assignments.

Math is listed at the top of the page.

Daily Homebase Homework is listed in the middle of the page.

Homebase Upcoming Due Dates & Tests are listed at the bottom of the page.

Step 4: If you want to print the page, first, click on the "View Full Page/Print" button near the top of the page. Finally, click on the [\[Print\]](#) button on the top left side of the page.

Note 1: I now have the ability to leave previous homework assignments up for you to view! I will leave the assignments up for the entire week in case you need to look back to a previous day.

Note 2: You can also sign up to be notified each time I update the homework page!

To do so:

- a. Once online, go to new.schoolnotes.com/jwainwright
- b. Click on "Notify Me when this page is changed"
- c. Fill in your e-mail address, first name, last name and child's name.
- d. Click on the box to check "Notify me of change to all of Jill Wainwright's pages."
- e. Finally, click on the "Notify Me" box.

If you choose to get notified, schoolnotes will send you an e-mail letting you know I updated the sight. It will include a link that will take you directly to my page.
