**ATTENTION ALL STUDENTS:** This is a reminder to all students about the MMS cell phone policy. As you know, the school has a **NO** cell phone policy. Starting immediately, we will be reminding you of this policy and enforcing it each day. This means that as soon as you enter the building until the end of the school day, all phones must be off and put away. If a staff member sees it or hears it at any point, it will be taken away and brought to the main office. After the first incident, a parent must come to pick it up. The use of cell phones, for conversations, texting purposes, or picture/video-taking is prohibited. Students are expected to keep cell phones off and in their lockers during instructional time. Students who need to call their parents or guardians during the school day should do so in the Main Office. Thank you.

Today's Kindness Quote:

**If you want others to be happy, practice compassion. If you want to be happy, practice compassion. ~Dalai Lama**

Today, try to recognize that there is more to a person than just what you see on the outside. They may have something on their minds or something going on outside of school. If someone seems upset or sad today, ask them if they'd like to talk about it.
