2009-2010

from the Superintendent.....

Dear Parents,

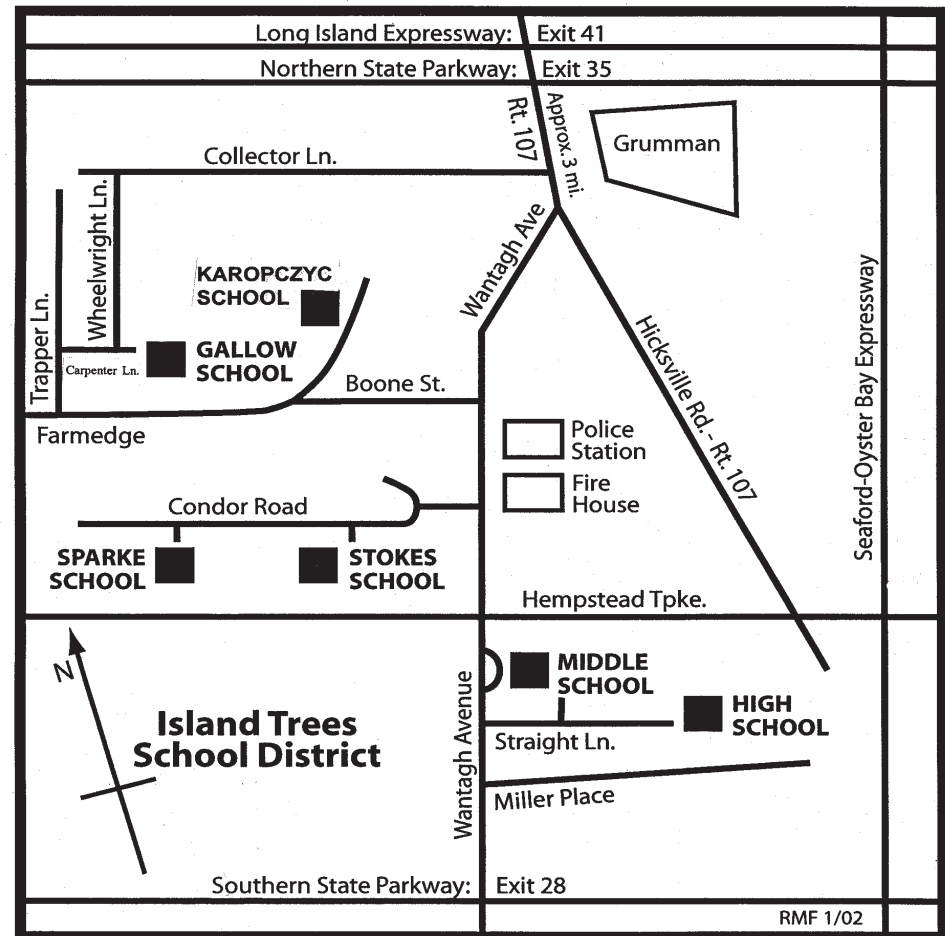

The days are growing shorter and the evenings a little cooler-- this means only one thing--the start of another new school year is upon us. On behalf of the Board of Education and staff, I welcome you back for what I anticipate is going to be a great school year.

Here in Island Trees, we are fortunate to have all of the ingredients necessary for the pursuit of excellence and high achievement in our district. The community is blessed with supportive families, enthusiastic students, and a professional teaching staff. We must continue to work together to ensure all students meet the high expectations set forth by new state and national standards. Naturally, the success of our students will be connected by our strong "school-community" partnership.

Please use the **2009-2010 SCHOOL CALENDAR** as a reference guide for important information about our schools, students, and activities. In addition, please refer to our Island Trees website, www.islandtrees.org, for the most up-to-date information and news. If you have any other questions, please feel free to call the main office of your school or any of the departments listed in the calendar. In addition, I am always available to assist you.

Sincerely,

Charles J. Murphy
Superintendent of Schools

Please note that the district does not have a general number. Direct dial numbers are listed as follows:

Absence from School

Parents are required to call the child's school (*as listed below*) to report absences and to provide a written excuse when the child returns to school. The excuse should note dates and reasons for all absences.

High School Attendance Office - 520-2142(43)
Memorial Middle School Attendance Office - 520-2166(67)
Sparke School Nurse - 520-2129
Stokes School Nurse - 520-2106

Access to Records

The "Freedom of Information Law" Chapter 933 of the Laws of 1977 provides for unimpaired access to the records of government agencies by the public.

The Island Trees School District makes student records available for review by parents of students under 18 and by students who have reached their eighteenth birthday. Procedures for such review process (Policy #5500-R) may be obtained from elementary school principals or from secondary school guidance staff members.

Adult Education

The Island Trees School District through its Community Adult Education Program provides a variety of educational and recreational opportunities to residents and non-residents alike. Brochures describing the courses offered and registration procedures will be mailed to each home in district. For information, call 520-2111.

Attendance

The New York State Educational Law requires all students to attend school regularly when they are physically and mentally able to do so. The law allows excused absences for the following reasons:

1. Sickness
2. Sickness or death in family
3. Religious observance
4. Required presence in court
5. School approved and supervised trips
6. Weather-related school closings

Board of Education

A seven member Board of Education elected by residents for three-year terms and serving without pay is responsible for the efficient management of the schools. Board members are elected at the Annual Meeting conducted each spring. The Board meets in the General Purpose Room of the Geneva N. Gallow School at 8:00 PM for regular board meetings, and at 7:00 PM in the Superintendent's Office for work sessions, on the dates indicated on the calendar unless public notice is given. Copies of each regular board meeting's agenda are available in the district's schools before the meeting. Residents are invited to attend these meetings which often feature presentations of educational programs and activities.

Budget

The budget is required for operation and maintenance of the buildings, staff salaries, textbooks and supplies, and other school costs. If you are interested in details of the budget, you may secure a copy at the Office of the Superintendent of Schools. Each year a public meeting is held on the budget before the residents vote on it. Voting takes place in May. Details of qualifications, registration, and voting procedures will be made public in advance through the school district newsletter which is distributed to all residents.

Community Use of Facilities

The school facilities of the Island Trees Union Free School District shall be available to responsible community organizations after normal school hours for civic, social, recreational, and entertainment purposes.

Organizations requesting use shall make a formal application to the Board of Education. Organizations granted permission must comply with New York State law and the rules and regulations of the school district. Certificate of insurance indicating the District as "an additional insured" will be required before the usage is approved, unless waived by the District. An annual fee of \$500 per season will be imposed for use of a district softball or baseball field by adult teams.

The Superintendent of Schools, or anyone he so designates, is empowered to reject any request for the use of school facilities when it is not in the best interest of the school district.

While the Board of Education encourages community groups to use our school facilities according to its guidelines, **school-sponsored activities must always take precedence in scheduling the use of buildings and grounds.** For more information and a schedule of fees, if applicable, please call the Office of Buildings and Grounds, 520-2108.

SCHOOL LUNCH PROGRAM

(Please call Mrs. Peggy McElhinney, Director of Food Services, at 520-2145 if you have any questions.)

The cafeterias in **Stokes and Sparke Elementary Schools** serve a nutritionally balanced Type "A" **lunch**, and the cafeterias in the *Memorial Middle School and High School* serve Type "A" *lunch and breakfast*. The meals are designed to meet all government guidelines.

A choice of a hot meal, cold sandwich or salad is available daily. The price of lunch in the elementary schools is \$1.40 per day and in the Memorial Middle School and High School it is \$1.60 per day and breakfast is \$1.00. There are snacks available at an additional cost.

A point of sale computer program is used. This program is similar to a bank account. An **ID** card or **PIN** number will be issued to your student that will be used when purchases are made. The ID card will be given out to each student in the elementary cafeterias before purchasing lunch and then returned to the cashier. The student will use the card to receive any meals or sandwiches. PIN numbers are used at the Memorial Middle School and High School and are the same as the student's ID number. The cost of purchases will be deducted from the account and your student will be notified when his/her balance is low. Additional deposits may then be made by cash or check. This eliminates the need of providing your student with cash on a daily basis.

When you send in a check for prepayment, please indicate the specific amount you want on your child's account for breakfast, lunch and/or snack on the form below.

If you do not wish to participate in the prepayment program, your child may still purchase breakfast, lunch and snacks daily in the cafeteria with cash.

NO LATE BUSES

Vandalism

School property belongs to the residents of Island Trees, and we must all do our part to see that no purposeful damage is done. If vandalism or other deliberate damage occurs, full restitution will be required from the guilty parties, parents or guardians in accordance with the law.

Visitors

Visitors to school are welcome if they have made an appointment and have a pass from the office. In the interest of the safety of your children, strangers in the buildings will be challenged.

Voter Information

The Island Trees School Budget Vote and Trustee Election takes place in May.

Who is Eligible to Vote?

An Island Trees resident wishing to vote in the May election must be 18 years of age or older, a United States citizen, and a resident of the district for 30 days prior to the election.

Voters registered for general elections are eligible to vote in school district elections without further registration, provided they have voted in a general election at least once within the last four years.

Voters who are registered only on the rolls of the school district must have voted in a school district election at least once within the last four years for their registration to remain active.

How Do I Register to Vote?

Residents may register through the Nassau County Board of Elections to vote in both general elections and school elections. Residents who wish to vote in school district elections **ONLY** may register at the District Clerk's office during the hours of 9 AM to 3 PM when school is in session or at other specified times before the school district vote.

For information regarding absentee ballots, please call the District Clerk's office at 520-2100.

(NOTE: Voters who register specifically to vote in the school district elections are not automatically registered for general elections.)

Working Papers

Students who are in need of working papers for employment should pick up an application at the nurse's office in the High School. **As it is difficult to process applications when school is not in session (July and August), it is advisable to plan ahead -- especially for the possibility of summer employment.**

There are two types of working papers. Permits are issued for work as a newspaper carrier. Certificates are issued for other types of employment.

The student and/or parent are to complete Part I of the application and return it, during September through June, to the nurse at the school of enrollment. If attending a non-public school, return the application to the nurse of the school where the child would be enrolled in Island Trees. If the student brings proof of physical fitness signed by a physician with the application, the working papers can be issued immediately. (A school report card which specifies participation in physical education will serve as proof of fitness for newspaper carriers.)

During July, the school nurse at the Memorial Middle School will process working papers for all students between 9 AM and 12 NOON, Monday through Friday.

Parents and guardians are reminded that children under 16 are limited, in general, to 18 hours of work per week except in summer when this increases to 40 hours. Older students under 18 are limited to 28 hours per week except in summer when this increases to 48. Note that students under 16 **cannot** work after 7 PM except in the summer when this becomes 9 PM. Other students under 18 **cannot** work after 10 PM except in summer when this becomes Midnight. Employers are required by NYS law to post the work schedule of all persons less than 18 years of age.

Dear Parent/Guardian

Children need health meals to learn. ITUFSD offers healthy meals every school day. Children from households that meet federal guidelines (outlined below) are eligible for free meals or reduced priced meals. Reduced priced meals cost each eligible student \$.0 for lunch and \$.0 for breakfast. To apply for free or reduced priced meals, submit a Direct Certification letter from the NYS Office of Temporary and Disability Assistance **OR** complete the enclosed application, sign it, and return it to **Mrs. Peggy McElhinney at the High School** as soon as possible. Please refer to the guidelines contained in this letter when completing the application. We cannot approve an application that is not complete, so be sure to fill out all required information.

1. **Do I need to fill out an application for each child?** No. Complete the application to apply for free or reduced meals. Do not fill out more than one application for your household.
2. **Who can get free meals?** Children in households getting Food Stamps or TANF and most foster children can get free meals regardless of your income. Also, your children can get free price meals if your household income is within the free limits on the Federal Income Guidelines. Each foster child must be listed on a separate application, with Part 2 completed and include an adult signature.
3. **Can homeless, runaway and migrant children get free meals?** Please call **Dr. Susan Kelly at 520-2110** to see if your child(ren) qualify, if you have not been informed that they will get free meals.
4. **Who can get reduced price meals?** Your children can get free meals if your household income is within the reduced price limited on the Federal Income Chart, shown on this application.
5. **Should I fill out an application if I received a letter this school year saying my children are approved for free or reduced price meals?** Please read the letter you received carefully and follow the instructions. Call the school at 520-2145 if you have questions.
6. **I get WIC, can my child(ren) get free meals?** Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.
7. **Will the information I give be checked?** The school may ask you at any time during the school year to verify your eligibility. You will be notified, in writing, if you have been selected for Verification. School officials may ask you to send papers showing that your child should receive free or reduce price meals at the time you applied.
8. **If I don't qualify now, may I apply later?** Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Stamps, TANF or other benefits. If you lose your job, your children may be able to get free or reduced price meals.
9. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing to: P. McElhinney, IT High School, 59 Straight Lane, Levittown, NY 11756, 520-2145.
10. **May I apply if someone in my household is not a U. S. citizen?** Yes. You or your child(ren) do not have to be a U. S. citizen to qualify for free or reduced price meals.
11. **Who should I include as members of my household?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you.
12. **What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you get it only sometimes.

INCOME CHART: The following chart lists income levels according to household size and income levels received either yearly, monthly or weekly. If your total household income is the same or less than the amounts on the Income Chart below, your children may be eligible to receive free or reduced price meals.

HOW TO APPLY: To get free or reduced price meals for your children you may submit a **Direct Certification letter received from the NYS Office of Temporary and Disability Assistance OR carefully complete the application** and return it to the school. If you now receive food stamps, or Aid to Dependent Children (ADC)/Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPPIR), the application must include the children's names, the household food stamp, ADC/TANF or FDPPIR number and the signature of an adult household member. All children with the same case number may be listed on the same application. Separate applications are required for children with different case numbers. If you do not list a food stamp/ADC/TANF or FDPPIR number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income for each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and that adult's social security number, or the word "none" if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your food stamp or TANF number or complete the income portion of the application.

REPORTING CHANGES: The benefits that you are approved for at the time of application are effective for the entire school year. **You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive food stamps.**

INCOME EXCLUSIONS: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

NON-DISCRIMINATION: This explains what to do if you believe you have been treated unfairly. In accordance with Federal law and U. S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write to *USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington DC 20250-9410* or call (800) 795-3272 or (202) 720-6382 (TTY). USDA is an equal opportunity provider and employer.

MEAL SERVICE TO CHILDREN WITH DISABILITIES: Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

CONFIDENTIALITY: The United States Department of Agriculture has approved the release of students' names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch program. Additionally, *all* information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian.

We will let you know when your application is approved or denied.

Sincerely,

Charles J. Murphy

OTHER BENEFITS: Your child may be eligible for benefits such as Medicaid or Children's Health Insurance Program (CHIP). In order to determine if your child is eligible, program officials need information from your free and reduced price meal application. Your written consent is required before any information may be released. Please refer to the attached parent Disclosure Letter and Consent Statement for information about other benefits.

PRIVACY ACT STATEMENT

Section 9 of the National School Lunch Act requires that unless your children's food stamp, TANF or FDPPIR case number is provided, you must include the social security number of the adult household member signing the application, or indicate that the household member does not have a social security number. The disclosure of a social security number is voluntary. However, if a social security number is not given or an indication is not made that the signer does not have such a number, the application cannot be approved. The social security number may be used to identify the household member in carrying out efforts to verify the correctness of information stated on the application. These verification efforts may be carried out through program reviews, audits and investigations and may include contacting employers to determine income, contacting a food stamp or welfare office to determine current certification for receipt of food stamps or other benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by household members to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported.
