

Choose the lessons that most appeal to you, but don't be afraid to work outside your comfort zone, try something you might never have tried before! You'll probably surprise yourself! Good Luck and happy exploring!

1. <http://www.webexhibits.org/colorart/marilyns.html>

Use this program to change the colors of Warhol's famous print of Marilyn Monroe. Once satisfied you can print a copy for yourself.

2. <http://www.artistshelpingchildren.org/artforchildren.html>

At this site there are several types of art projects you can explore from paper folding, drawing cartoon characters, murals and recycled projects. Choose an area to explore and discover a new lesson for your class.

3. <http://www.makebeliefscomix.com/>

This site is called Make Beliefs Comix. You will use this site to create a comic strip, be creative with characters, colors, story line etc. You can also view a demo for added help. Once you have designed one, email it to me.

4. <http://artpad.art.com/artpad/painter/>

At this site, art.com you can or have your students create a painting, replay the order in which you painted, select a frame for your artwork, hang it in the gallery, and even save and send it.

5. <http://vn247.net/flash/Color-and-Me.swf>

This is a color test of your personality. Choose the color for each object and once completed your color personality will be revealed. A fun interactive game.

6. <http://sketch.odopod.com/>

Do you love to sketch? Here you can create your own sketch, and check out some of the sketches done by others as well. Your assignment is to create an original sketch. Make sure you post it with your name so I can view it. Tell me about your sketch in a one page paper. You will need to sign up, which only requires a name and email address.

7. <http://www.eduweb.com/insideart/index.html>

Inside Art is an online game which explores a painting from the inside out. During an art museum tour, you're sucked into a vortex and find yourself inside a mystery painting. Your only hope of escape is to answer the questions "Who?What?Where?How?" After you take this adventure, create a lesson based on this website that could be used with your students. Submit your lesson.

8. <http://www.albrightknox.org/artgames/index2.html>

Use this site to explore Artie's Art Games, (appropriate for ages 4-12, available in English and Spanish). Choose an art area to explore and explain how you would incorporate this into a lesson.

While here, click at the bottom labeled "Art Cards". Create an art card and send it to me. Submit your lesson and Art Card.

9. [http://www.artquotes.net/masters/picasso\\_late.htm](http://www.artquotes.net/masters/picasso_late.htm)

Review this site first about Picasso, scroll down and look at his late paintings of portraits. Look for how he made the facial features. Now go to:

<http://www.picassohead.com/create.html>

Picasso created many abstract portraits; use this program to create a Picasso original. Email me your "Picasso" along with a one page paper on your artwork.

10. <http://www.liverpoolmuseums.org.uk/nof/portraits/>

Be a Portrait Detective! Here you can take a "guided tour" to learn about the paintings or you can visit the "explore" section and find the clues yourself as a portrait detective.

If you click on "Something to do" there are ideas for both Adults and Children

11. <http://kids.tate.org.uk/games/art-detective/>

The case of The Mysterious Object. Discover the work of art by solving the clues to complete the case of the mysterious object. Tell me what secrets you discovered in a two page paper.

12. <http://www.carolsutton.net/the5qarthistory.quiz.html>

This site is called the 5 ? Art History Quiz. These questions change monthly. Take this art quiz; reveal the answers to see how you did.

Create your own quiz from the correct answers. Submit your quiz

13. <http://www.artic.edu/aic/education/CC/>

Click on "Play with Art" then click on the icon with the butterfly and glass (Cornell Boxes). Read about the artist and design your own art box. Explain why you chose the objects you did and how you made a connection to them as the artist Joseph Cornell did. Submit your ideas in a reflective paper.

14. <http://gardenofpraise.com/art.htm>

Use this site to discover and explore an artist; read the story, study the featured painting as well as other pictures by the same artist, and explore the links. Once you have done this choose 2 activities from those listed (word search, crossword puzzle etc) to be included in a lesson that you would teach. Submit your lesson

Check out the "Who's the Artist" game, test your knowledge.

15. <http://freerice.com/index.php?&t=20739180937&s=Famous%20Paintings>

Explore this website and see if you can identify the famous paintings, and the artist. For each correct answer 10 grains of rice will be donated to feed hungry people; sponsored through the United Nations World Food Program. See if you can donate 500 pieces of rice. Write a one page paper telling me your thoughts about this site.

16. <http://www.lascaux.culture.fr/#/en/00.xml/index.html>

Explore the cave at Lascaux, and take the virtual tour. There is plenty to uncover in this cave that wasn't discovered until 1940. Think about what types of animals were painted, the colors they used and how they were able to do that kind of artwork on cave walls. Write a one page reflective paper on what you experienced, saw, learned, etc.
