HR Teacher	

In compliance with New York State Law, the Island Trees School District must require a copy of a NYS Driver's License and a copy of an insurance card for all students using the school parking lot. Without these items, no student will be issued a parking permit.

Using the school parking lot is a privilege, not a right. Students who drive to school are responsible for following all rules and regulations as specified in the student handbook. Once parked, student automobiles are not to be moved during the school day except during lunch periods or in the case of emergency. Students are reminded that all textbooks and school-related materials should be removed from vehicles before homeroom. Returning to a vehicle during class time is prohibited. At any time school administration can revoke the parking privilege of students not adhering to these rules and regulations.

According to NYS Law, no student is allowed to transport a fellow student without the written consent of a parent.

The parking lot speed limit is 10 mph, failure to follow this law could result in the loss of parking privileges.

I, the student \_\_\_\_\_ have read, understand and agree to follow all parking lot policies and procedures.

I, \_\_\_\_\_ the parent of \_\_\_\_\_ have read and understand that my son/daughter must follow all parking lot policies and procedures.
