RE: **Transportation on
Monday, November 20, 2017** (*I.T.H.S. Parent Teacher Conference Day*)

DT: November 9, 2017

Although I.T.H.S. will be closed on Monday, November 20, 2017, the BOCES Barry Tech occupational training center will be open. **Students are expected to attend.**

You will be transported to and from your occupational school on your regular Acme van. Below are the arrangements we've made with them:

BOCES Barry Tech

AM Students – No change except you will be dropped off at home after the class.

PM Students – You will be picked up from your home/stop starting at 11:15 AM instead of picking you up at our HS. **PLEASE BE OUTSIDE WAITING .**
There is no change in the going home trip.

If you have questions, call 520-2112 or consult the guidance office, or the main office.
