

North Babylon, West Egg (Great Neck South HS), and Kellenberg.

Close defeats in the Kellenberg tournament further prepared them for a 12th place finish in this past weekend's 25-team Kings Park Academic Quiz Tournament at Kings Park High School, where IT stood tall in wins against North Babylon's A team, Jericho, Darien (CT) A, Stuyvesant High School of Manhattan, and Kellenberg's A squad. David Wendt personally dominated as well, finishing as the third leading individual scorer in the tournament with an average of 72 points per game.

The season is now in its final stages, with the team making one more trip to Columbia University on February 17 for the spring competition of the Columbia Cup, as well as wrapping up its final two regular season matchups with MacArthur and Wantagh in the Regional Quiz Bowl competition. The next couple of months will see a high level of quizzical action here at Island Trees!
