

2017 HS Spring Sports' Physical and Permission Slip Procedure

Hello, the Island Trees Athletic Department would like to remind our high school parents and students that the Spring Sports season is just around the corner with a start date of Monday, March 6th. Girls Badminton starts 1 week later on Monday, March 13th. Any student wishing to play school sports must have 2 items on file with the HS nurse and they are: the sports physical and the parent permission form. Physicals are good for 1 year and must be dated so that a student is medically cleared to play through the entirety of his or her season. The school district doctor will be at the HS conducting physicals at 2:05 pm on March 1st for any high school athlete requiring one. Any student planning on seeing the school doctor must see Ms. Renzulli, the school nurse, beforehand to set up an appointment. Signed permission slips must be submitted prior to each season that a student intends to play. Forms are available in both our High School main office and Athletics office. They can also be found online on the Athletics page. The HS Nurse's office will begin accepting physical forms and parent permission slips on Monday, February 13th and continue to do so as the season approaches. The deadline for submitting forms for Spring sports will be Wed. March 1st. The deadline for badminton will be Wed. March 8th. No student will be permitted to tryout for a team without medical clearance and a signed parent permission slip. Handing in forms at the last minute will delay a student's clearance. If you have any questions, please contact the Athletic Office at 520-2173 or the HS Nurse at 520-2148. A written copy of this Connect Ed message can be found online on the Athletics page. Enjoy the rest of your Winter and Go Bulldogs!
