As required by 8NYCRR 200.2(b)(9), the Board of Education annually establishes and maintains a list of the names and qualifications of all impartial hearing officers available to serve in the school district. The list is developed from a more comprehensive listing provided by the State Education Department, downloaded from their website in July 2012, and **supersedes all previous lists.**

In compliance with the Commissioner's Regulations, only those persons who have successfully completed an approved training program and have been certified, pursuant to section 200.1(x), as Impartial Hearing Officers are eligible to be on the list. The definition of impartial hearing officer has been revised as per IDEA 2004 to add that the impartial hearing officer possess knowledge of, and the ability to: understand federal and State law and regulations and legal interpretations; and knowledge of the ability to conduct hearings and render and write decisions in accordance with standard and appropriate standard legal practice.

The list of hearing officers is established from those eligible persons who have indicated their willingness to serve in Nassau County or who have contacted the district directly and

indicated their availability to serve in the district. The Impartial Hearing Officer's list is established and maintained in alphabetical order, with new appointees inserted in alphabetical order in the list. Selection is made on a rotational basis, beginning with the first name after the hearing officer who last served. If no hearing officer on the list has served, selection will be made beginning with the first name on the list. If the hearing officer declines appointment or if, within 24 hours, the impartial hearing officer fails to respond or is unreachable after reasonable efforts by the school district, each successive impartial hearing officer whose name next appears on the list shall be offered appointment, until such appointment is accepted. If the impartial hearing officer is unable to initiate the impartial hearing within the first 14 days of being contacted by the school district, the impartial hearing officer cannot accept the appointment. Each successive hearing officer on the list shall be offered appointment, until such appointment is accepted. In all cases, these attempts will be documented.
