MICHAEL F. STOKES ELEMENTARY SCHOOL, 101 Owl Place Levittown, NY 11756-5202

June 2018

Dear Stokes School Parents,

This summer, our school is once again embarking on a unified journey based on the love of literacy! Each student beginning second, third, and fourth grade will receive a copy of the same book to enjoy over the summer.

What are we reading?

The title of this year's book is *Fenway and Hattie* by Victoria J. Coe. All students will receive a copy of the book to borrow and return in September. Family members are encouraged to participate and share in this story with your reader at home.

What do I have to do?

Your part in this program is to ensure that your child comes to school in September having completed the novel and their reading assignment. Students will create an interactive summer reading folder during library to bring home with everything they will need including their grade level assignment and a book review.

The faculty and staff are excited about uniting our school and our community through reading. We encourage our students to continue their reading journey either through the recommended titles on the Fenway website or continuing with the *Fenway and Hattie* series available at our public library.

Thank you for your continued support. Have a wonderful summer.

Sincerely,

Allison Ackerman
Principal
