

After you have registered for an account on School Notes by signing up, going into your email and clicking on the link to accept your registration, and Login to School Notes

You can add PDF file home work by following the example below.

The screenshot shows the 'Manage / Edit Pages' interface. At the top, there are tabs for 'TEACHERS', 'STUDENTS', and 'PARENTS'. Below these is a navigation bar with 'Dashboard', 'Manage / Edit Pages', and 'Support | A'. The main content area includes a form to 'Add A New Page' with a 'Page Title' field containing 'Homework' and an 'Add New Page' button. Below the form is an 'Editor Settings' link. A message states 'Visitors can view your pages at <http://new.schoolnotes.com/jrezek/>'. A table titled 'SchoolNotes pages for John Rezek' has columns for Delete, Title, Visits, Last Modified, View, Edit, and Visible. A hand icon points to the URL.

1. Click on **Manage / Edit Pages**
2. Enter a title such as Homework
3. Add New Page by clicking Add New Page button
4. Copy the section that says "Visitors can view your pages at <http://new.schoolnotes.com/teacher name/>
Example: my page is, <http://new.schoolnotes.com/jrezek/>
And e-mail me the link so I can verify your page is up and can put it on your teacher name on our homework page off of the Middle School Website.
5. Add a PDF file and link it to your Homework Page
You can add PDF homework files by clicking on My Files section on the Left side of the web page. (see image below)
Browse to the PDF you created to be loaded.
After loading your homework file
6. Click on the (Click to show/hide list) link and check the box next to your homework title.

The screenshot shows a dialog box titled 'Show this file on these pages: (Click to show/hide list)'. It contains a checked checkbox next to the title 'Homework' and buttons for 'Edit' and 'Cancel'.

7. Verify your posting of homework with the "Visitors can view your pages at link"
8. You should be done.
