Dear Parents/Guardians:

Today, Mr. Kealy, principal of the high school, informed me that graffiti was found in the boys' bathroom. The graffiti was "Everyone is going to die." Since the boys' bathroom has been closely monitored, we were able to narrow down the number of student suspects. They were interviewed by the high school administration. The police were notified and assisted in evaluating the situation. It was determined that this was not a credible threat. We are continuing our investigation to try to identify the person(s) who acted in such an irresponsible manner.

I feel it is important that you are informed. If you have any questions, please contact me.

Sincerely,

James Parla  
Superintendent of Schools
