June 2018

Dear Parents and Guardians of High School Students,

At Island Trees High School, only 10th- 12th grade students in AP English, Advanced English, and College English classes will complete summer reading assignments this summer. The reading list is on the page below.

Students entering 9th grade have received their required summer reading book (*The Body of Christopher Creed*) and will be responsible to read the novel over the summer. When they return to school, they will be given further instructions from their 9th grade English teachers regarding any assignment or written work.

Advanced students have received their required summer reading books and assignments. If your child is enrolled in one of these English classes and did not receive the required book, there are extra copies in the HS Guidance Office. New students may also pick up copies of the required book in the HS Guidance Office. Assignments are posted on the individual teacher's Google Classroom.

If you have any questions or require information about the assignment, please contact Ms. Lori Christensen at 520-2135 or [lchristensen@islandtrees.net](mailto:lchristensen@islandtrees.net).

Sincerely,  
Nicholas Grande, Principal  
Lori Christensen, HS English Chairperson
