Located at the  
Michael F. Stokes School

COME SPEND THE SUMMER WITH US!

Extend the day with the Child Care Program from 12 p.m. - 4 p.m.!

This program is offered by SCOPE Education Services,  
not the Island Trees School District.

Dear Parent or Guardian:

This summer, SCOPE Education Services, in cooperation with the Island Trees School District, is proud to once again offer an exciting Summer Explorations Program for students entering grades 1-6 in September 2016. The children of Island Trees have the opportunity to choose from a variety of courses. The program will provide enriching ways to expand learning while having fun. Whether your child likes to cook, stay active or create arts and crafts, there is a class for everyone, and all classes will include new projects.

The program will take place Tuesday, July 5<sup>th</sup> through Friday, July 29<sup>th</sup> at the Michael F. Stokes Elementary School. Please complete the registration form or register online by **Friday, June 3<sup>rd</sup>**.

For additional information, please call SCOPE at 631-360-0800 ext. 148, or email [dazar@islandtrees.org](mailto:dazar@islandtrees.org).

Sincerely,  
Danielle Azar  
Program Director  
[dazar@islandtrees.org](mailto:dazar@islandtrees.org)

**\*Online registration is available and highly recommended to ensure your child's placement.\***

**SCOPE Summer Explorations Program at Island Trees**  
**Registration Information**

1. Courses are listed for the grade level the student is **entering** in September 2016.
2. Select the courses in which you would like to enroll your child. Course enrollments have limits and will be filled on a first-come, first-served basis. We will do our best to accommodate all selections.
3. Session 1 courses run for 9 days and **cost \$85.50 each.**  
Session 2 courses run for 10 days and **cost \$95.00 each.**
4. Total your course fees and enclose a check or money order made payable to **SCOPE**. Please indicate the child's name and phone number on the check or money order. Credit cards are also accepted (see bottom of registration form). There will be a \$25.00 fee for any returned checks or declined credit cards.
5. Return completed registration form along with payment by **June 3, 2016** to:

SCOPE Summer Program at Island Trees  
100 Lawrence Avenue  
Smithtown, NY 11787

6. **Online registration is also available and highly recommended to ensure your child's placement.** Please go to: [www.scopeonline.us](http://www.scopeonline.us). Click on Summer Programs 2016, then click on Island Tress Summer Explorations Program.
7. The Summer Explorations Program will be held at the **Michael F. Stokes Elementary School**.
8. Parents are responsible for their child's transportation to and from the program.
9. Course confirmations will be emailed before the start of the program. Please be sure to enter your email address on the registration form. Please contact SCOPE if you do not receive an emailed confirmation.
10. It is the family's responsibility to see that their child is present on the first day of class. **No refunds will be given after June 17<sup>th</sup>. Refunds issued prior to June 17<sup>th</sup> will incur a \$10.00 processing fee.**
11. Students have the option to participate in the SCOPE Summer Child Care Program from 12 p.m. – 4 p.m.
12. For additional inquiries, please call SCOPE at 631-360-0800 ext. 148, or email [dazar@islandtrees.org](mailto:dazar@islandtrees.org)

---

### Cheery Cheerleaders

Cheery Cheerleaders is a fun filled class that combines dance, jumps, safe stunts, cheers and chants for all students! Whether you are on a cheerleading team, looking to ignite your school spirit, or a beginner who would love to be a cheerleader someday, this class is for you! In Cheery Cheerleaders, students will develop motivation and leadership skills. Students will learn the latest stunts, pyramids and cheers in a safe and fun environment. Come join the fun, and bring your spirit!

Course #1 Session 1 Period B-Grades 1-6

### Clay Creations

This summer get ready to be creative with clay! In Clay Creations you will get to design models and sculptures of so many crazy, cool things. You will get to mold and create interesting animals, your favorite characters, and much, much more! Let your creativity out this summer in Clay Creations!

Course #2 Session 1 Period A-Grades 1-3    Course #3 Session 1 Period B-Grades 4-6

### Fitness Fun in the Sun

Fitness Fun in the Sun is a program where children will participate in various games and activities that will help students stay active! Children will have fun taking part in creative games that help develop different fundamental skills for all age levels! Time on the playground along with cooperative games will be done as well, to help develop teamwork and sportsmanship. Don't forget to wear your sunscreen, dress appropriately and bring water! Please join us for some fun in the sun!

Course #4 Session 1 Period A-Grades 1-3

Course #6 Session 2 Period A-Grades 4-6

Course #5 Session 1 Period B-Grades 4-6

Course #7 Session 2 Period B-Grades 1-3

## Folding Fantasy

Share the beauty and wonder of folding paper with the Japanese Art of Origami. Discover how to fold colorful, single sheets of paper into traditional models as well as multiple pieces into modular creations. Transform copy paper, newspaper, magazine covers, and recycled paper into exciting projects. You will be thrilled to take home the magic of Origami each day.

Course #8 Session 1 Period A-Grades 2-3 Course #9 Session 1 Period B-Grades 4-6

## Friendship Bracelets

Kids will have a chance to learn how to make various types of friendship bracelets, including string bracelet patterns, lanyard bracelets, rainbow loom, and beads. They will also learn the origins and meanings behind friendship bracelets. This class will not only be fun for students, it will allow them to make new friends, trade bracelets, work on fine motor skills, and pattern making skills! It's a class that all will be sure to enjoy!

Course #10 Session 1 Period B-Grades 1-6 Course #11 Session 2 Period B-Grades 1-6

## Fun with Fiction

Do you love to read and write? Are you imaginative, and dream about becoming an author? If so, then this class will teach you how! In Fun with Fiction, students will learn all about different story elements on their journey to creating their very own, one of a kind, book! Come and join our class this summer, and leave as an author with your very own book to share with family and friends!

Course #12 Session 1 Period A-Grades 3-6

## Kids Cuisine

Whoever said we shouldn't play with our food? Students will be able to let their creative side loose while preparing "edible art." Healthy and fun snack ideas will be shared during this course. The importance of working safely and responsibly while in the kitchen will be introduced as well as making healthy choices. Students will also create a cookbook that will contain the recipes used in this course. The young chefs will be able to share their cookbooks with family and friends while re-creating their favorite snacks.

Course #13 Session 1 Period A-Grades 4-6 Course #14 Session 1 Period B-Grades 1-3  
Course #15 Session 2 Period A-Grades 1-3 Course #16 Session 2 Period B-Grades 4-6

## Looney for LEGOS

Are you looney for LEGOS? In this fun and creative class, kids have an opportunity to explore how to build various LEGO designs using an assortment of LEGOS. Kids will be provided with a selection of LEGO project choices daily, and will challenge their problem solving skills to recreate popular designs. They will have the opportunity to be creative and make their own designs as well! Have fun and become a master at building with LEGOS!

Course #17 Session 1 Period A-Grades 1-6 Course #18 Session 2 Period A-Grades 1-6

## Science + Art = Fun

Can you paint with oil AND water? Can you paint with magnets? Can you make a floating sculpture? Discover how science can help you create colorful and imaginative projects like these with surprising results! You'll explore scientific properties like magnetism, absorption, motion, gravity, and density to create original works of art. See for yourself how science + art = hands-on fun!

Course #19 Session 1 Period A-Grades 4-6 Course #20 Session 1 Period B-Grades 1-3  
Course #21 Session 2 Period A-Grades 4-6 Course #22 Session 2 Period B-Grades 1-3

## Super Summer Arts & Crafts

This summer get ready to be creative! In Super Summer Arts & Crafts you will get to design things that you can use at home with your family and friends this summer. You will get to design ceramic banks to hold your money, sailboats to sail in the water, and much, much more! The best part is you can design it however you want! Let's get creative this summer in Super Summer Arts & Crafts!

Course #23 Session 2 Period A-Grades 1-3 Course #24 Session 2 Period B-Grades 4-6

## Terrific Tie-Dye

Are you artistic? Do you love to create your own clothing and accessories? If so, this class is for you! In Terrific Tie-Dye, students will learn how to tie-dye all different types of clothing and accessories by creating various different patterns. Experience the wonderful world of color as you learn how to tie-dye your own shirts, socks, hats, bandanas and more! Come join the colorful fun!

Course #25 Session 2 Period A-Grades 1-6 Course #26 Session 2 Period B-Grades 1-6
