

Instructions on Accessing District Maps:

The Island Trees Curriculum Maps are now posted on the Island Trees website.

It was our goal to make the process of accessing and viewing these maps as simple as possible. Please find below step-by-step instructions to connect to the district maps.

1. Click on the Island Trees Curriculum Maps icon on the Island Trees Website -

Staff Resource page

2. You should now be at a brand new Island Trees page with a login and

password field. It will look like this:

3. Type in your Mapster Username (this is your email address)

4. Type in your Mapster Password and click Login

5. You should now be on the page that has all published maps. It will look like

this:

6. You can do two things from this site.

a. View District Maps

b. Go into Mapster and edit curriculum maps.

If you experience any issues with this new process, please contact John Rezek at JRezek@islandtrees.org or 520-0991.
